Ried LEITEN

Kremstal 2019

Weingut Müller

The family run Müller winery is located in the southern part of the Kremstal wine region in the picturesque village of Krustetten. It is managed by the brothers Leopold and Stefan Müller. The responsibilities are clearly structured: Stefan is the vineyard manager and Leopold is winemaker and sales manager. Our philosophy is to work in harmony with nature in a sustainable and respectful manner. The diverse soil and micro climatic conditions on the hills surrounding the Göttweig Abbey, in the southern Kremstal wine region, require us to care for every vineyard individually and to fully understand each site in relation to soil, exposure and grape variety. Our knowledge that has accumulated over several generations allows us to produce superior grape quality with distinct and exciting character.

Origin and Terroir

The grapes for this Riesling originate from the single vineyard Leiten in the southern Kremstal wine region. With its southern exposure, a gradient of steep 25% and weathered primary rock, it forms a magnificent Riesling vineyard site. Due to the closeness to the Danube river, there are high temperature fluctuations between night and day which give the wines elegant fruity aromas.

Wine Making

The grapes were harvested with full physiological ripeness. They were rushed to the cellar and gently processed. The fermentation was completed in temperature-controlled stainless-steel tanks. After the fermentation the wine was raked and allowed to rest on the fine lees. During this time the wine had the chance to develop its characteristic aroma before being bottled.
