BLANC ZERO

Aromatic, sparkling, and completely alcohol-free. Made from hand-selected grapes from the high-altitude vineyards surrounding our estate.

ORIGIN AND TERROIR

The grapes originate from vineyards surrounding our estate. Sunny days and cool nights impart the wine with lively freshness and delicate fruit. Mineral-rich soils of gravel and weathered rock, along with the influence of the Danube, shape its clear and refreshing character.

VINIFICATION

The grapes for this non-alcoholic sparkling wine were selectively harvested at optimal ripeness and quickly processed into a fruit-forward verjus. The verjus was carbonated in a pressurized tank before being bottled under counter-pressure. The result is a lively, aromatic sparkling wine with no alcohol—fresh and crisp, with delicate bubbles.

TASTING NOTES

Aromatic and sparkling—completely alcohol-free. A fruit-forward sparkling wine made from hand-selected grapes from the high-altitude vineyards around our estate, with notes of elderflower, apple, and citrus. Fine bubbles and lively freshness create a playful, effortless drinking experience.

FOOD AND DRINK RECOMMENDATIONS

Best enjoyed well chilled—perfect as an aperitif, with light starters, fresh salads, or delicate desserts. Equally enjoyable on its own, this non-alcoholic sparkling wine is a refreshing companion for relaxed, joyful moments.
