WACHAUER APRICOT BRANDY

A premium spirit crafted from our hand-selected Wachau apricots, ripened under ideal conditions to fully develop their intense aroma. Carefully handled by Stefan and gently distilled, this brandy delights with a clear fruit character and a harmonious scent of sun-ripened apricots. On the palate, it is soft and full-bodied, with a long, fruity finish.

Available bottle sizes:
0,5L

SERVING SUGGESTION!

Best enjoyed neat at room temperature in a whisky glass to fully savor its aroma.
