WACHAUER APRICOT BRANDY OAK-AGED

Sun-ripened Wachau apricots, carefully hand-selected, meet the precision of traditional distillation and years of maturation in oak casks. Aging in wood lends subtle smoky nuances that beautifully complement the fruit's bright apricot character.

A refined spirit with an expressive bouquet, layered complexity, and a long, elegant finish. Produced in limited quantities – a true treat for connoisseurs.

Available bottle sizes:
0,35L

SERVING SUGGESTION!

Best enjoyed being neat at room temperature in a whisky glass to fully appreciate its aroma.
