PREMIUM VERMOUTH

Our Grüner Veltliner forms the heart of this vermouth, enhanced by a selection of 13 fine botanicals, including rose petals, orange blossom, and wild berries. After several weeks of maturation, it is finished with the distinctive alpine character of GIN Alpin from the Guglhof distillery. Elegant and well-balanced, with delicate wine notes, hints of forest berries and ripe quince, and a long, layered finish with a subtle herbal bitterness.
